

## Project 10 ~ Name Birthday Card

Another card that I made for my Daughters 11<sup>th</sup> Birthday

### Products used:

- ~ Card Blank
- ~ Alpha Chipboard
- ~ Silver and Cosmic Shimmer Embossing Powders
- ~ Lime 3mm Ribbon
- ~ Dovecraft 8x8 Glamour Paper Pack
- ~ Dovecraft Glamour Designer Chipboards in a tin
- ~ Foam pads
- ~ Double sided tape

### How to make:

- 1) Triple emboss the chosen letters that make up the name to be used. I have alternated the letters with silver and Cosmic Shimmer embossing powders.
- 2) Attach paper from the Glamour paper pack to the front of the card.
- 3) Stick the completed embossed letters onto white card and attach the white card to the front of the card blank.
- 4) Stick down the ribbon as shown on the picture.
- 5) Decorate with numbers and other images from the Glamour chipboards in a tin.
