

Project 4 ~ 11th Birthday Card

This was made for my daughters 11th Birthday

Products used:

- ~ Craft Creations Card Blank
- ~ Dovecraft 8x8 Birthday Paper Pack
- ~ Sally Scrap Pad
- ~ 15mm Pink Satin Ribbon
- ~ Chipboard Alpha Pack
- ~ Pink & Silver Liquid Pearls
- ~ Foam Pads
- ~ Double sided tape

How to make:

- 1) Stick the Birthday paper to the front of the card. I also covered the aperture and then cut out the centre and glued back the flaps. Trim off any excess.
- 2) Attach chocolate brown into the aperture, I used some from my Sally Scraps Pad.
- 3) Triple emboss the numbers with Cosmic Shimmer to build up a nice finish and mount them into the aperture.
- 4) Attach the ribbon to the left hand side of the card. Cut out circles from the Birthday paper pack and matt onto more chocolate Brown card. Stick to the ribbon with foam pads.
- 5) Print out your Birthday greeting and layer onto chocolate brown card, adhere with foam pads.
- 6) Decorate the aperture and greeting with pink and silver liquid pearls.
