

Project 5 ~ Princess Birthday

This is a really quick and easy card to make, perfect for little girls.

Products used:

- ~ Craft Creations card from PK276-43
- ~ Dovecraft 8x8 Kids Paper pack
- ~ Stardream lilac, cream and pink card
- ~ Foam Pads
- ~ Double sided tape

How to make:

- 1) Stick the Birthday paper to the front of the card. I also covered the aperture and then cut out the centre and glued back the flaps. Trim off any excess.
- 2) Attach lilac card into the aperture, I used a scrap of Stardream that I found in my stash.
- 3) Cut out your chosen image from the Birthday paper and then layer with cream and pink card until happy.
- 4) Print out a Birthday greeting and layer onto Pink card.
