

## Project 7 ~ Blooming Birthday Card

Slightly chaotic but I think also very effective.

### Products used:

- ~ Craft Creations card from PK276-43
- ~ Dovecraft 8x8 Retro Floral Paper Pack
- ~ Stardream Cream Card
- ~ Terracotta Flower pot
- ~ Paper Flowers from packs: Watermelon & Pastels
- ~ Gold Dragonfly Charm
- ~ Pink & Lilac liquid pearls
- ~ Brads - Dovecraft Metallic B and Pastel

### How to make:

- 1) Stick the Retro Floral paper to the front of the card. I also covered the aperture and then cut out the centre and glued back the flaps. Trim off any excess.
- 2) Put cream card into the card aperture and adhere.
- 3) Layer the paper flowers and attach them with brads.
- 4) Print your greeting or use peel off's and layer onto pink card and attach with foam pads.
- 5) Attach the terracotta flower pot with double sided tape.
- 6) Make a stalk for your flower or I have just cut the head off a paper flower!
- 7) Attach the dragonfly with tape and make a trail from its tail with pink and lilac liquid pearls.
