

Project 9 ~ Pinks Medallion Thank you

Very simple Thank you card

Products used:

- ~ Craft Creations card blank
- ~ Cathedral Lights Medallion stamp
- ~ Pee wee Glitter - Young at Heart
- ~ Foam Pads
- ~ Double sided tape
- ~ Pink Vellum
- ~ Pink and white card for layering
- ~ K&Co All occasions Card Quotations pad
- ~ Brads - Dovecraft Metallics B
- ~ Silver embossing powder

How to make:

- 1) Emboss 3 medallion shapes with silver embossing powder onto white card. I have used some from my Sally Scraps Pad.
- 2) For a small card I have used the inner of the medallion only. Cut out whichever shapes you prefer. I have decorated these with Pee Wee Glitter but Sakura pens also work nicely. Layer with foam pads.
- 3) Attach pink vellum into the aperture and stick down the completed medallion.
- 4) Attach a quotation from the K&Co pad onto white card and layer onto more of the vellum.
- 5) Finish off with your choice of brads.
