

Project ~ Bookmarks

Products used:

- ✎ Papers of your choice
- ✎ Ribbon
- ✎ Charms
- ✎ Laminator and Pouches

How to make:

1. These bookmarks are really easy to make and make nice gifts.
2. Choose the papers you want to use. Match them for both the front and the back and then matt them onto some co-ordinating card.
3. Put into a laminating pouch and put through the laminator, I had to do this several times because of the thickness of the card.
4. When cool punch a hole in the top and attach ribbon and a charm.
