

Project ~ Angel Notebook

Products used:

- 🐾 Card stock or Bind-it-All Covers
- 🐾 Bind-it-All Pink Wires
- 🐾 Smirk Naughty but Nice Paper
- 🐾 Smirk Naughty but Nice Glittered Ribbon Stickers
- 🐾 Plain Paper for the pages
- 🐾 Smirk Naughty but Nice Clear Stamps
- 🐾 Sakura pens

How to make:

1. Cover the Bind-it-All Covers with the Smirk paper. I had some binding covers that were given to me and I just glued about 5 layers together and then cut them to size.
2. Attach ribbon to the top of the front and back covers
3. I have stamped the inner pages with images from the Smirk Naughty but Nice clear stamps and then coloured them in with Sakura pens.
4. Using the Bind-it-All machine cut the cut the holes for the wires and then attach and close the wires.
