

Project ~ Heart Balloon Notebook

Products used:

- 🐾 Card stock or Bind-it-All Covers
- 🐾 Bind-it-All Pink Wires
- 🐾 Smirk Naughty but Nice Paper
- 🐾 Plain Paper for the pages
- 🐾 Smirk Naughty but Nice Clear Stamps
- 🐾 Sakura pens

How to make:

1. Cover the Bind-it-All Covers with the Smirk paper. I had some binding covers that were given to me and I just glued about 5 layers together and then cut them to size.
2. Attach a strip of Smirk paper along the right hand side of the front cover.
3. Cut out the image of the little girl and layer and matt onto co-ordinating card and attach onto the front cover.
4. I have stamped the inner pages with images from the Smirk Naughty but Nice clear stamps and then coloured them in with Sakura pens.
5. Using the Bind-it-All machine cut the cut the holes for the wires and then attach and close the wires.
