

# Duo Cutter A4

## Desktop Guillotine Cutter or Rotary Trimmer

Buy 1, get 2! The A4 Duo Cutter is pure value for money. This product is one of the most versatile cutting tools on the market.

The A4 Duo Cutter is one of the essential tools for your day to day work at the home or in the office.

This is not simply a 2 in 1 cutter, it offers you the following options:

- Two separate tools or one combined operation
- Guillotine Cutting
- Rotary Trimming
- Three different cutting styles

If you want to work simultaneously you can split the tool and create 2 individual cutters. Or if you have different cutting needs you can simply switch between the tools.

The Duo Cutter offers the same extraordinary features as you will find throughout the Purple Cows' Desktop Cutter range.

Double Click Paper Press holds paper firmly against the cutting base to prevent slipping while cutting.

The patented Active Cutting Guide works two ways:-

- Holds paper firmly against the cutting base to prevent slipping while cutting.
- Helps keep fingers behind the blade guard for safety.

The Guillotine Blade is used for trimming heavier papers, poster boards, laminated work and up to 10 sheets of paper.

The Rotary Blade is the ideal way to trim your digital photos.

Movable Slide Guide helps to position your photos accurately for a square cut.

Cutting Guide provides Standard paper and photo sizes Plus centimetres to help when Trimming pictures and artwork.

Three different Rotary Blades With click-in for easy exchange

Rubber feet provide stability on table top and protect Furniture surfaces.
