### Web Exclusives

For all our registered newsletter customers we have introduced the "Web Exclusive" area of our web site.

This will come to you via our e-mail service and have dedicated links.

If it's new, you will see it first before we launch new ranges on our site.

Did you know that we also supply wedding stationery?

You can buy our extensive range as blank invitations etc or you could use our Gold Service and let us do the work for you!

We can also print the names of your guests on the invitations, one less job for you to do.

We have a wide range of finishes and colours to choose from, including gold, silver and pink as well as the more traditional white and ivory.

If you are looking for the finishing touch then we have some new stunning Grade A Rhinestone buckles in stock.

Rhinestone Heart Buckle.

To co-ordinate we have favour boxes, menus and we can even supply the table confetti.
