### New products Galore!

You may have noticed that this month's newsletter is all about new products. The new spring ranges are about to arrive and I must admit there are some fantastic papers and embellishments. Perfect for your card making or scrapbooking.

Well I have been using the Wizard machine I had as a Christmas present (got it early), and I am still experimenting with the different materials that can be used!

Please don't forget, if you have any queries about a product then just give us a Call and we will do our very best to help. We try to road test all the products so we can answer your questions.

Jasmynes Cards is a family run internet business with a fondness for embellishments. Please send us your comments via the website or e-mail. We would love to hear from you.

Until next time, Happy Crafting

Sam & Rich
