Laura Ashley

This month we will be stocking yet another fantastic new range from Dovecraft.

The Laura Ashley range is a collection of stylish and premium Craft products in two co-ordinating themes: Contemporary and Traditional.

The range comprises of paper packs, ribbon stickers, embellishments and stamps featuring some of the best-selling Laura Ashley designs making this a must-have purchase for every designer and Laura Ashley fan.

The Traditional themed range in contrast, features period colours with remarkable detail in every design. These designs are evocative of times past, with historic Orient and Victorian influences. The Traditional Range also includes a popular Toile de Jouy print featuring a typical French Pastoral theme.

All items within the range fully complement each other to ensure a professional finish in the end-design

The Contemporary range includes the renowned Erin print, a gorgeous Chrysanthemum design. The papers feature a soft pastel palette with a modern twist including a Andy Warhol-inspired piece.

Update

We have been very very busy getting the new website ready, I should now have some time to get some more projects uploaded onto the site along with some Christmas Card projects.

We are very excited about getting the Laura Ashley range in stock, as usual we will be launching the range with some exceptional offers.

We would love to hear from you about anything crafty, don't be shy, give me a call or drop me an e-mail.

I am sat here singing away to my tunes waiting to hear from you!

Until next time, Happy Crafting

New Website

You may have noticed that the website now has a fresh new look!

It has taken a while but we are finally finished.

We hoped to make the site more uniform so we have replaced images and generally had a good sort out!

Midweek Specials

We have now launched our Midweek specials on the website.

We will have 3 deals every week, these can range from big items to your every day favorites.

Please e-mail me if there is something that you would like to see as a special offer, whether it is cards blanks, adhesives or tools.

Advertising

We are currently advertising in Simply Cards and PaperCraft and PaperCraft Inspirations.

Please try and spot us if you have either of these magazines!

Bind-it-all

I have been busy with my Bind-it-all machine making lovely Notebooks as gifts.

Once you get the hang of it they are really easy to make, and I think very effective.

Have a go and send pictures of the results to us and we will put them on the website.
