## New Projects

I have finally photographed some projects and they are ready to you to view on the website.

We have notebook projects using the Bind-it-All and a range of other projects.

Please remember you can send us your projects too!

## Buttons

We now have our fabulous new range of buttons in stock.

Each embellishment has finely detailed engraving and is cut from approx 3mm thick beechwood.

Ideal for card making, scrapbooking and many others they can be used in their natural form or they can be enhanced using Sakura Pens or paint.

## Why Jasmines Cards?

Quite a few people have asked us where the name 'Jasmines' came from as neither of us is called Jasmine!. Well the name came from our lovely cat.

We have initially stocked small numbers of lots of different buttons to give you an idea of the range available.

If they prove to be popular with you then we will expand the range further.

## Clearance

We have added lots of new lovely items to our clearance section on the website, including some lovely K& Co Grand adhesions.

We have also now added the Laura Ashley Contemporary and Traditional ranges.

Please be quick as stocks are limited.

Jasmine was the last of the litter when we adopted her around 14 years ago.

Unfortunately we said goodbye to Jasmine in March. She will be sorely missed.

Thank you to all the Trimcraft members who left lovely messages of support. They were very much appreciated.

## What are we up to?

Hi Fellow Crafters

We are currently working on a range of DIY Wedding stationery which is taking up a lot of our time.

As you will also see March was a rather sad month for us.

We would still love to see some of your projects so please don't be shy, send them in and inspire others!

Until next time, Happy Crafting

Sam & Rich xxx

## Easter Competition

We are running an Easter competition with a difference.

This time the competition is open to children only! Simply send us a picture of what your child/grandchild has made and they will be in with a chance of winning.

It could be a drawing, a card, a collage, whatever they would like to do.

## New Products

We have a few new bits and bobs now in stock that you may not have been aware of.

We have the lovely DCWV Blossoms & Butterflies paper pack and matching chipboard embellishments now in stock. We know that these are not new this year but they are so lovely and summery we feel they are a worthwhile addition.

We also have some fantastic paper crafting kits from Dovecraft. Included in the kit is a paper pack not available on its own. Great for girly cards.

Full details of what is included in the kit are on the website. This would make a fantastic gift.

If you have any suggestions for new products then please just send me an e-mail.

Please e-mail your pictures to:
