## Christmas Ranges

### Thank you

Many thanks to Roz who has allowed us to show some of her beautiful cards on the project pages.

They are cards made from the My Mind's Eye ranges.

Please do go and have a look, they are fantastic cards.

Why is it that Crafters always look ahead to Christmas in the middle of the summer?

Is it because we are just so very organised or more that we always love some new stash?

Well we have some gorgeous Christmas items available now.

Firstly we have the fantastic Smirk Christmas range which we previewed last month.

The other new exciting range that we now have available is The Snowman.

This range is full of lovely muted almost icy colours along with the famous snowman.

For The Snowman range there is a pack of printed card blanks. The pack contains 12 cards in total, 8 printed card in 4 different designs and 4 plain cards plus 12 pale blue envelopes.

The cards are A5 size and each one contains a scene from The Snowman animation which makes producing simple cards very easy, they only need to be embellished.

This is great news if you have a large amount of cards to make, or even for the children/grandchildren to have a try.

Both ranges are available at 25% off RRP.

### Theme Tune

Just try and make a Card with The Snowman range without singing 'Walking in the Air'

It cannot be done!

The Smirk range is full of bright cheerful festive colours and is sure to be as popular as the Naughty but Nice and Love and Friendship ranges.

For both ranges we have paper packs, decoupage pads, stamps and all of the other embellishments to complement the range.

## What are we up to?

Hola!

I have been very busy with the Sunday Craft Fairs over in Stratford-upon-Avon. I have met some lovely people both customers and fellow traders alike.

I will be there every Sunday until the end of September so please come and say hello if you are passing, I do like a chat!

I will be posting some Christmas Projects on the website just as soon as I get five minutes to do some Crafting.

We would as always welcome your pictures of whatever you have made.

Adiós

Until next time, Happy Crafting

Sam & Rich xxx

## Postal Charges

We hope that you all received the mail about our postal charge increase.

For those of you that are not aware we are no longer offering free postage on orders over £10.00.

As discussed in our e-mail this was not a decision that we took lightly. We have kept the free postage through numerous post office increases but can no longer offer this.

We hope you will agree that we still offer exceptional value and customer service. We aim to offer our new products at 25% off RRP so you can still make great savings.

The new postal charges are as follows:-

£2.50 for orders up to £19.99

£3.50 for orders £20.00 up to £29.99

£4.50 for orders £30.00 up to £39.99

£5.50 for orders £40.00 up to £69.99

£6.50 for orders from £70.00 and up

We would like to say thank you to the lovely customers who have e-mailed us regarding these postal charges with their words of support.

You know who you are and you are very much appreciated!
