## Walnut Hollow

The Creative Metal Program by Walnut Hollow includes easy to use tools, metals, accessories & kits designed to create one of a kind metal crafting projects.

There are other tool sets that you can then buy to further decorate your metal, from roller sets (pictured below) to texture tools.

## Christmas Projects

I have uploaded a few of my Christmas cards onto the project pages if you would like to have a look.

As this is a product we are thinking of stocking I thought I would order one to have a play (it's a dirty job but someone has to do it).

You may have seen these products demonstrated in October and November on Create and Craft.

I would be very interested to hear your thoughts on this range.

The Beginner Kit includes a storage case with all necessary tools for metal crafting. Use for embossing, detailing, and decorating soft metals. Trial piece of metal, information and project instructions included.

There are some great projects that you can have a look at on the Walnut Hollow website.

You can then buy squares of metal, copper and aluminium etc and away you go.

## Christmas Competition

Its back! Our Christmas Competition will be running from 1<sup>st</sup> December to 19<sup>th</sup> December.

Just e-mail us a picture of your card, scrapbook page or whatever you have created, it's as simple as that.

We will chose the winner and they will be notified by 21<sup>st</sup> December.

The prize is £35 worth of Crafting goodies.

Last year's entries were absolutely fantastic and it was really hard to choose a winner. So don't be shy and have a go! You can send in your childrens/grandchildrens entries too.

## Find Rudolph

December also sees the return of our 'Find Rudolph' competition. Rudolph will be hiding in a different place on the website every day until 19<sup>th</sup> December.

The first correct entry out of the hat every day will win a small prize. There is no limit to the amount of times you can win, so remember to enter every day.

Can I just point out that the image of Rudolph on the homepage is not where he is hiding, it is just to tell you about the competition!

## Clearance Items

We are continually adding new items to the clearance section of the website, so please have a look next time you visit us.
