## Pepper & Friends

### Competition Winner

This was the winning entry from our Christmas card Competition.

Huge congratulations to Jenni who received a prize of £35 worth of lovely Crafting goodies for sending in this gorgeous card.

As always the standard of entries was amazing. There are some very talented Crafters out there, now if I could only get my Cards to look like that!

We would like to say a massive Thank you to everyone who took the time to send their entries in.

Pepper and Friends is a brand new complete paper Craft range brought to you exclusively from Trimcraft by the illustrator Helz Cuppleditch.

Pepper and Friends has something for everyone, young and old, and every character has been produced specifically for the craft market. It can be used to craft for any occasion and for any age group.

Pepper is a dog who likes to have fun: cute but delightfully scruffy with a look of mischief in his eyes. Pepper has a whole bunch of garden friends, but he's undoubtedly the star of the show.

We have the entire range available to pre-order. We hope to receive the range w/c 20<sup>th</sup> January and we will get any pre-orders shipped out first.

The range consists of the usual size paper packs but there is also a double sided backing paper pack.

There are chipboards, adhesive ribbons, decoupage pads, brads and everything else you need to make a beautifully co-ordinated Cards and scrapbook pages.

The entire range is available to view online right now. Have a peep, you won't be disappointed!
