Customer Survey

Our customer survey is now available for you to complete online.

We know that you are all very busy people but hope that you will take a few minutes to complete the survey.

In the past we have sent out the survey via the post. In an effort to save trees and postage we feel that on-line is the best way.

All of the entries will be entered into the magic hat and the first one out of the bag on 28th February will win £35 worth of crafting goodies.

The survey will be available for you to complete throughout February, we will then let you know the results in the April Newsletter.

Thank you in advance for completing the survey!

Glitter Card

We have some fabulous glitter card from Dovecraft now available.

Samples of this card were sent to a selection of our customers and everyone loved it!

The A4 Glittered Card sheets are loaded with brightly sparkling glitter which gives a dense cover and a brilliant shine.

It is white backed 220gsm card which has been specially designed to shed absolutely no glitter at all.

This card really does not shed any glitter, we manhandled the sheets to make sure of this!

The feedback we had from our customers was amazing. It does not crack when folded so would be great for card making.

The range is available in 9 fabulous colours.

Priced at just 65p for an A4 sheet it is great value. This is 25% off the RRP, sure to become a favourite.

The colours would look great with the new Pepper & Friends range and the Funky Vintage.

There are also matching alphabet sticker sets available. We would love to hear your thoughts on these so we can make a decision about stocking them.
