New Projects

Thank you very much to Ros who sent in these pictures of her cards in response to last months' newsletter.

They are all absolutely stunning, you can see all of them on our project pages.

Please send in your projects and we will feature them on the website.

We have quite a few new products in stock now and more on the way.

Therefore we have decided to have a big clearance of some of our ranges.

You can get 40% off Smirk Love & Friendship and Naughty but Nice whilst current stocks last.

We have a selection of paper packs, decoupage kits, clear stamps and rubber stamps available in this great offer.

Stocks are very limited and we won't be able to offer them again at this price so please be quick if there is something that you would like.

The very popular Pepper & Friends range was only available as a one off, once its gone, its gone deal.

We cannot get more stocks of the items that have sold out so we have decided to offer the remaining stock at 35% off the RRP.

Again, stocks are very limited so they won't be around for long!

Lastly on our Crazy Clearance is Christmas Stock.

I know it is far too early to be thinking about it but we need to make some space!

We have 40% off all of our Christmas Ranges, including Smirk and The Snowman.

All the details can be found on the website and all offers are available while stocks last.

What are we up to?

Hello

We hope you have all been enjoying the beautiful sunshine as we have. I am currently spending more time in the garden than in the house.

We have decided not to book a stall at the Stratford-upon-Avon Craft fair this year, although I did enjoy it very much last year.

It is a great way to meet our customers which we normally do not get chance to do being an internet business.

We may have an event coming up regarding our Wedding Stationery, so I need to get my creative head on and start making up some samples. More on that as soon as we have the information.

A while ago we had some sample products that we sent to a selection of customers and asked them to give some feedback.

If anyone would like to be one of our product testers then please just drop me an e-mail. As we are a small business it can be really useful to gauge customers' reactions to new products before we stock a huge range.

Until next time, Happy Crafting.

New Bits & Bobs

We have few new items to tell you about.

Dovecraft precision craft knives have an ultra sharp retractable blade for a precision cut. The cutting edge is made from premium stainless steel and each pack includes a replacement blade.

This knife is just £6.50 which is 20% off the RRP.

We also have 2 sizes of Dovecraft Clear Adhesive squares now in stock.

Dovecraft double sided clear adhesive pads are ideal for use on craft projects where a three dimensional finish is important.

They will stick to most surfaces, including paper, plastic, wood, metal, foam and textiles, with ease.

Also back in stock are the regular foam squares, a Crafting favourite.

New Ribbon Roses

We have some lovely new colours available in our ribbon roses.

Not just for wedding cards they can be grouped together to make beautiful cards for all occasions.

All of our Ribbon Roses are now just 50p for a bag of 10.
