What are we up to?

Hello

It has been a busy if painful month, hopefully I will soon get this shoulder problem sorted out and can be back to digging the garden and doing all the things that I normally do.

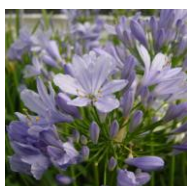

We hope you will enjoy the new ranges that are the main feature of this newsletter. The Piece of cake range is proving very popular. Don't skip over the Eastern Promise range as that is also lovely.

We hope to have details next month of this years Christmas ranges, I know it seems to get earlier every year but we crafters do like to be organised well in advance.

Lets hope July is a good month weather wise as we are planning a barbecue party as the garden is almost finished and also to celebrate the fact that we have been married 15 years this year.

Until next time, take care.
