New Paper Packs

What are we up to?

Hello,

It seems crazy that we are stocking Christmas ranges in the middle of the summer, but that's the way it goes with Crafting!

We still have small quantities of Smirk Christmas and The Snowman in stock if you would like to purchase these. We also have the Christmas Wishes and Rose Coloured Christmas available at 40% off RRP whilst stocks last, great products at amazing prices.

I have been trying to complete a range of handmade wedding stationery for the website which I have finally done.

Hopefully there will be many more ranges to come very soon. If you know anyone who is getting married then please put our name forward!
