Peppers Christmas Party

Another great Christmas range is now available.

Cards

We have a couple of fantastic examples of cards made with the Peppers Christmas Party range. Both cards are by the lovely Rozzy B.

Pepper and Friends were brought to you by the acclaimed illustrator Helz Cuppleditch in 2010 and now they're all back in a fun and festive craft collection.

There are loads more, if you are a member of the TrimCraft forum then you can see them all.

Look out for all the old gang, and a few new festive faces, which are all fabulously cheeky and sweet in a jolly selection of Christmas colours.

Pepper and Friends has something for everyone, young and old, and every character has been produced especially for the Craft market.

The collection contains 21 products which co-ordinate beautifully together and have been carefully designed for use in both card making and scrapbooking projects.

There are 6 different packs of Clear stamps to choose from along with the usual paper packs, brads and ribbon stickers.

As usual we are offering this range at 25% off the RRP, great savings on gorgeous products!

There are also two different decoupage pads to choose from, if you can choose just one!

This Pepper collection will be limited stock as was the previous range, we will ensure the website is kept upto date with any items that are out of stock and whether we can get anymore.

What are we up to?

Hello,

Well we have been going through a website optimization process, yes it is about as exciting as it sounds! It is taking a long time to complete but will hopefully mean that more people will know that we exist.

The Christmas Ranges have also kept me quite busy, rushing to get everything on the website and checked.

We have been looking into new suppliers and products and are feeling a little bamboozled at the moment. Any suggestions that you have for products that you would like to see would be very, very gratefully received.

On the non crafting front we have been spending a lot of time out in the garden. The gourds which I planted as seeds back in February are now triffid in size! Hoping for some great fruits in the autumn to dry out and keep.

As ever if there is anything you want to ask us then please do not hesitate to contact us.

I may see some of you on some of the crafting forums, please say Hi if you see me!

Sam & Rich xxx

Projects

One of our customers, Carol sent in these pictures of her stunning card. It was made using the GCD Studios Rose Coloured glasses pack.

Carol has been kind enough to allow me to show you here cards in our Newsletter and there are lots more on our project pages.

If you would like to share a picture of anything that you have made then please do send them in. We love seeing your cards and its great to share them with everyone else.

Check out our project pages for more beautiful cards from Carol.

Handmade Wedding Stationery

Our first range of handmade stationery is now available on our Wedding website. We hope to add to these ranges in the coming months and as ever would welcome any comments.
